

Once Dubuque Days of Caring has been 'fanned' you will see 2016 Days of Caring on the left side of your screen. Once you click on that you will be taken to the Days of Caring page and will see all of our projects.

This page offers a quick snapshot telling you where the project is taking place, how many volunteers are still needed, and the date and time of the project. By clicking View Details you can find out all of the specifics of each project.

Once you have found the project that fits your volunteer needs, you can then register individually by clicking Respond, or as a team by clicking the people icon next to the word respond.
